total price of items \$ _____

(total weight of items _____ lbs.)

shipping cost \$ _____

add \$ 2.10 if delivery is to a residence \$ _____

grand total \$ _____

Use the UPS Charts on our website to determine the shipping cost. If the weight is more than 25 lbs., break the shipment into 25 lb. box(es) plus the remainder, as we do not ship any boxes over 25 lbs. Our products do not contain preservatives, therefore, to maintain freshness, we only ship 2-Day Air.

Mail your order with a check for the total to:
